Dear Shareholders,

Each year, my communication to shareholders focuses on some economic reality on how we expect to protect or grow shareholder value. This year I intend to focus on how we did something completely different during the last financial year to protect our business. We protected our most precious capital, our people from the effect of the pandemic. We also focused on high technology product sales to achieve higher value addition.

Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

SI. No.	Key Audit Matter	Auditor's Response
	NIL	

4. Information other than the financial statements and Auditors' Report thereon

- A. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- B. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report the fact. We have nothing to report in this regard.

5. Management's Responsibilities for the Standalone Financial Statements

- A. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- B. In preparing the standalone financial statements, the Board of Directors of the Company is responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to the going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors of the Company is also responsible for overseeing the financial reporting process of the Company.

6. Auditors' Responsibilities for the Audit of the Standalone Financial Statements

- A. Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :
 - i) Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit

- evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - iv) Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - v) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- C. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in:
- (i) planning the scope of our audit work and in evaluating the results of our work; and
 - (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.
- D. We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- F. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

II. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "**Annexure A**" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, based on our audit, we report that :
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act;
 - (e) On the basis of the written representations received from the Directors as on March 31, 2023 taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2023 from being appointed as a Director in terms of Section 164(2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls system with reference to financial statements and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - (g) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Section 197(16) of the Act, as amended:
 - (h) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors during the year is in accordance with the provisions of Section 197 of the Act.
 - (i) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company does not have any pending litigation which would impact its financial position.
 - b. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - i. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- ii. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- II.
1. The inventories have been physically verified by the Management during the year at reasonable intervals, except materials lying with third parties, where confirmations are obtained. In our opinion, the coverage and procedure of such verification by the Management is appropriate. The discrepancies noticed on verification between the physical stocks and the book records were not material and they have been properly dealt with in the books of account.
 2. The Company has been sanctioned working capital limits in excess of ' 5 crores, in aggregate, from banks on the basis of security of current assets during the year. According to the information and explanations given to us, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of accounts of the Company.
- III.
1. According to the information explanation provided to us, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Hence, the requirements under paragraph 3(iii) of the Order are not applicable to the Company.
 2. According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the terms and conditions in relation to investments made, guarantees provided, securities given and / or grant of all loans and advances in the nature of loans and guarantees are not prejudicial to the interest of the Company.

3. The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.
- IV.** In our opinion and according to the information and explanations furnished to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- V.** In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the rules framed there under.
- VI.** The maintenance of cost records under Section 148 (1) of The Act has not been specified by The Central Government for the business activities carried on by the Company. Thus, reporting under Clause 3(vi) of the Order is not applicable to the Company.

VII. In respect of statutory dues:

- a) According to the records of the Company, the Company has been regular in depositing undisputed statutory dues, including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with appropriate authorities
- b) There were no undisputed amounts payable in respect of any of the above statutory dues in arrears as at March 31, 2023 for a period more than six months from the date they became payable.
- c) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2023 on account of disputes are given below;

Name of the Statute	Nature of Dues	Forum where dispute is pending	Period to which the amount relates	Amount
NIL				

- VIII** There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in tax assessments under the Income Tax Act, 1961.
- IX** (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared as a wilful defaulter by any Bank or financial institution or other lender.
- (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have not been utilised for long term purposes.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- X** (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable
- XI** (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of Section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

ERI-TECH LIMITED

- (c) There were no whistle-blower complaints received during the year by the Company.
- XII** The Company is Not a Nidhi Company. Accordingly, para 3 (xii) of The Order is not applicable to the Company.
- XIII** Based on the audit procedures performed and information and explanations given by the management, all the transactions with the related parties are in compliance with Sections 177 and 188 of the Companies Act 2013 were applicable and details of such transactions are duly reported in the standalone Financial Statements as required by the applicable Accounting Standards.
- XIV** (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
(b) We have considered the internal audit reports for the year under audit, issued to the Company during the year.
- XV** In our opinion, the Company has not entered in to any non-cash Transactions with Directors or persons connected with him and hence, the provisions of Section 192 of the Companies Act 2013 are not applicable to the Company.
- XVI** (a) In our opinion, no registration is required under Section 45 IA of The Reserve Bank of India Act. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
(b) In our opinion, there is no Core Investment Company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- XVII** The Company has not incurred cash losses during the financial years 2021-22 and 2022-23.
- XVIII** There has not been any resignation of the statutory auditors of the Company during the year.
- XIX** On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- XX** (a) There are no unspent amounts towards Corporate Social Responsibility (“CSR”) in respect of other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second provision to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
(b) There are no ongoing projects and hence, the requirement of transferring unspent Corporate Social Responsibility (CSR) amount as at the end of the previous financial year, to a Special account within a period of 30 days from the end of the said financial year in compliance with the provision of section 135(6) of the Act is not applicable to the Company.

ANNEXURE B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub – section 3 of Section 143 of the Companies Act, 2013 ('the Act') We have audited the internal financial controls over financial reporting with reference to financial statements of **Eri-Tech Limited** ('the Company') as of **31st March 2023** in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to financial statements, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risk of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control systems over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance

ERI-TECH LIMITED

with authorizations of the management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely direction of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting with reference to financial statements and such internal financial controls over financial reporting were operating effectively as at **31st March 2023**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

1 COMPANY OVERVIEW

Eri-Tech Limited (referred to as “the Company” hereinafter) was incorporated under the laws of the Republic of India with its registered office at 53B, Mirza Ghalib Street, Kolkata – 700 016 having manufacturing of Non-ferrous castings and fabrication, Iron & Steel fabrication & Forging etc. for Transmission line Insulator hardware Fittings, Conductor Accessories and overhead optical fibre systems. The supply of material is to Government and Semi government Departments and various projects by lead corporates.

a) Basis of preparation

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

b) Statement of Compliance

a) These financial statements have been prepared to comply in all material aspects with Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 notified under Section 133 of the Companies Act, 2013 and other provisions of the Companies Act, 2013 to the extent applicable. b) These standalone financial statements have been prepared for the Company as a going concern on the basis of relevant Ind AS that are effective at the Company’s annual reporting date, March 31, 2023.

c) Functional and presentation currency

The financial statements are presented in Indian Rupees (‘Rs’) which is Company’s presentation currency. The functional currency of the Company is also Indian Rupees (‘Rs’).

d) Basis of measurement

The financial statements have been prepared on historical cost convention on the accrual basis, except for the following items: (i) Certain financial assets and financial liabilities measured at fair value; (ii) Employee’s defined benefit plan as per actuarial valuation. Fair value is the price that would be received on the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

e) Use of judgments and estimates

In preparing these financial statements, management has made judgements and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

Critical accounting judgements and key sources of estimation uncertainty: Key assumptions-

(i) Useful lives of Property, plant and equipment:

The Company reviews the estimated useful lives and residual values of Property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.

NOTES TO THE FINANCIAL STATEMENTS (Contd.)**(ii) Allowances for doubtful debts**

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

(iii) Allowances for inventories

Management reviews the inventory age listing on a periodic basis. This review involves comparison of the carrying value of the aged inventory items with the respective net realizable value. The purpose is to ascertain whether an allowance is required to be made in the financial statements for any obsolete and slow-moving items.

(iv) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using certain valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

(v) Defined benefit plans

The cost of the defined benefit plan includes gratuity and the present value of the gratuity obligation are determined using actuarial valuations using projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions.

(vi) Recognition and measurement of provisions and contingencies

The certain key assumptions about the likelihood and magnitude of an outflow of resources. Provision is towards known contractual obligation, litigation cases and pending assessments in respect of taxes, duties and other levies, if any, in respect of which management believes that there are present obligations and the settlement of such obligations are expected to result in outflow of resources, to the extent provided for.

f) Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The management regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorized into different levels based on the inputs used in the valuation.- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities. When measuring the fair value of an assets or a liability, the Company uses observable market data as far as possible.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible.

NOTES TO THE FINANCIAL STATEMENTS (Contd.)

g) Standards issued but not effective

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2023, as below

Ind AS 103 – Reference to Conceptual Framework The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India.

Ind AS 16 – Proceeds before intended use The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its standalone financial statements.

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract The amendments specify that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification, and the Company does not expect the amendment to have any significant impact in its standalone financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021) The amendment clarifies which fees an entity includes when it applies the ‘10 percent’ test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its standalone financial statements.

Ind AS 106 – Annual Improvements to Ind AS (2021) The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its standalone financial statements

2 SIGNIFICANT ACCOUNTING POLICIES

These standalone financial statements have been prepared for the Company as a going concern on the basis of relevant Ind AS that are effective at the Company’s annual reporting date, March 31, 2023

a) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

b) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

NOTES TO THE FINANCIAL STATEMENTS (Contd.)**i. Financial Assets****Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Trade receivables are initially measured at transaction price. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Amortised cost
- Fair value through other comprehensive income (FVTOCI)
- Fair value through profit or loss (FVTPL) Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

Financial assets at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The effective interest rate (EIR) amortisation is included in finance income in the profit or loss.

Financial assets at FVTOCI

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Financial assets at FVTPL

A financial asset which is not classified in any of the above categories are measured at FVTPL. Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit & Loss.

Investment in Joint Venture

The Company has no investments in joint venture.

Other equity investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

NOTES TO THE FINANCIAL STATEMENTS (Contd.)

Cash and cash equivalents: The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Cash flow statement: Cash Flows are reported using Indirect Method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

ii. Financial liability

Initial recognition and measurement

Financial liabilities are initially recognised at fair value plus any transaction cost that are attributable to the acquisition of the financial liabilities except financial liabilities at fair value through profit or loss which are initially measured at fair value.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in following categories:• Financial liabilities through profit or loss (FVTPL)• Financial liabilities at amortised cost

Financial liabilities through FVTPL

A financial liability is classified as at FVTPL if it is classified as held for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss.

Financial liabilities at amortised cost

Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss. Interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximates fair value due to the short maturity of these instruments.

Derecognition

A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

An exchange between an existing borrower and lender of debt instruments with substantially different terms shall be accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability or a part of it (whether or not attributable to the financial difficulty of the debtor) shall be accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of a financial liability (or part of a financial liability)

NOTES TO THE FINANCIAL STATEMENTS (Contd.)

extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, shall be recognised in profit or loss.

iii. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

c) Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. Borrowing costs directly attributable to the acquisition or construction of those qualifying property, plant and equipment, which necessarily take a substantial period of time to get ready for their intended use, are capitalised.

The fixed asset of the company has been categorised segregated in depreciable assets, non depreciable assets and revalued assets.

A fixed asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

ii. Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April, 2015, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

ii. Subsequent expenditure

Subsequent expenditure is capitalized only when it is probable that the future economic benefits associated with the expenditure will flow to the Company. Ongoing repairs and maintenance are expensed as incurred.

iii. Depreciation and amortisation

Depreciation and amortisation for the year is recognised in the Statement of Profit and Loss. Depreciation on fixed assets are provided on written down value method over the useful lives of assets, at the rates and in the manner specified in Part C of Schedule II of the Act. The rates of depreciation as prescribed in Part C of Schedule II of the Act are considered as the minimum rates. Freehold land is not depreciated. Leasehold land (includes development cost) is amortised on a straight line basis over the period of respective lease. Depreciation methods, useful lives and residual values are reviewed at each financial year end and adjusted as appropriate.

NOTES TO THE FINANCIAL STATEMENTS (Contd.)**d) Inventories**

Inventories are valued at lower of cost and net realisable value. Cost of inventories comprises of material cost, labour and manufacturing overheads incurred in bringing the inventories to their present location and condition. The cost of Work-In-Progress and finished goods includes the cost of labour, material and a proportion of manufacturing overheads.

e) Impairment**i. Impairment of financial instruments: financial assets**

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss.

ii. Impairment of non-financial assets

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest Company of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs. An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

f) Foreign Currency Transactions

Foreign currency transactions are accounted for at the exchange rates prevailing at the date of the transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets. Additionally, exchange gains or losses on foreign currency borrowings taken prior to April 1, 2016 which are related to the acquisition or construction of qualifying assets are adjusted in the carrying cost of such assets.

NOTES TO THE FINANCIAL STATEMENTS (Contd.)**g) Government grants**

- (i) There are no Government Grant during the year

h) Employee Benefits**Post-Employment Benefits****(i) Defined Benefit Plans**

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income. The Company has an Employee Gratuity Fund managed by the Life Insurance Corporation of India. Liability with regards to long term employee benefits is provided for on the basis of actuarial valuation at the Balance sheet date.

(ii) Defined Contribution Plans

Retirement benefit in the form of contribution to Provident Fund is a defined contribution scheme and is charged to profit & loss account in the year when they become due.

(iii) Short Term Employee Benefits

Short - term compensated absences are provided for on the basis of estimates.

i) Accounting of provisions, contingent Liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for. Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable. There are ongoing litigations and arbitrations on realisable with various government organisations and the awards are awaited.

j) Revenue Recognition

Sales are stated at net of returns and GST. Sales Revenue is recognized when: Revenue is recognized at a point in time upon transfer of control over the products sold to customers which generally coincides with the delivery of goods at customer premises. Revenue is recognised to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Domestic sales are recognised at the time of dispatch of materials to the buyer. Export sales are recognised on the issue of bill of lading. Export Incentives arising out of Export Sales are accounted for on accrual basis. Purchases are inclusive of freight and net of Input Tax Credit, Trade Discount and Claims.

NOTES TO THE FINANCIAL STATEMENTS (Contd.)**k) Recognition of dividend income, commission income, interest income or expense**

Dividend income is recognised in profit or loss on the date on which the Company's right to receive payment is established. Income from commission is recognised based on agreements/arrangements with the customers as the service is performed using the proportionate completion method, when no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service. Interest income or expense is recognised using the effective interest method.

l) Leases

Leases of property, plant and equipment that transfer to the Company substantially all the risks and rewards of ownership are classified as finance leases. The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of the minimum lease payments. The minimum lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in the Statement of Profit and Loss. Assets held under leases that do not transfer to the Company substantially all the risks and rewards of ownership (i.e. operating leases) are not recognised in the Company's Balance Sheet. Payments made under operating leases are recognized in the Statement of Profit or Loss on a straight-line basis over the term of the lease unless the payments to the lessor are structured to increase in line with general inflation.

m) Income tax

Income tax expense comprises of current and deferred tax. Current tax and deferred tax is recognized in the statement of profit or loss except to the extent that it relates to a business combination, or items recognized directly in equity or in OCI.

i. Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

ii. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

n) Borrowing costs

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs for Bank Guarantees and Letters of Credit are recognised as an expense in the period in which they are incurred. Where there is an unrealised exchange loss which is treated as an adjustment to interest and subsequently there is a realised or unrealised gain in respect of the settlement or translation of the same borrowing, the gain to the extent of the loss previously recognised as an adjustment is recognised as an adjustment to interest.

NOTES TO THE FINANCIAL STATEMENTS (Contd.)

o) Earnings per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

p) Segment Reporting

The Company has identified Transmission line Insulator hardware Fittings and Conductor Accessories and Aerial Optical Fibre Accessories as the sole business segment and the same has been treated as primary business segment. The Company sells mostly within India and does not have operations in economic environments with different risks and returns, it is considered operating in single geographical segment. Hence, no further disclosure as required under the Indian Accounting Standard - 108 "Operating Segments" as issued by the 'The Institute of Chartered Accountants of India'.

q) Expenditure on new projects & substantial expansion

There is no new project and substantial expansion however if any than the Preliminary project expenditure, capital expenditure, indirect expenditure incidental and related to construction/ implementation, interest on term loans to finance fixed assets and expenditure on start-up of the project shall be capitalised upto the date of commissioning of project to the cost of the respective assets.
